Qualifications*

BA (Hons) Graphic Design

Derby University July 07

BTEC National Diploma Graphic Design

Sutton Coldfield College July 04

Publications

YCN Book 07/08

The YCN (Young Creative Network) showcased my Bloomberg Anywhere project at an exhibition at the Royal College of Art, London and subsequently it featured in their annual 0708 Book.

Cravendale

Runner up in a Cravendale Milk competition to design a rugby ball for Leeds Rhinos. The design was published in the match-day program on boxing day 2008.

Personal Profile

I consider myself to be a hardworking individual with a passion for design and a willingness to adapt to new situations.

I work across a diverse range of media including branding, editorial, packaging, typography and web design. Using my experience designing throughout a broad range of genres I endeavour to achieve an innovative and effective design solution for every project.

I am proficient using software such as Illustrator, Photoshop, InDesign, Dreamweaver and Flash.
